# WHO WE ARE **Ethanol** PRODUCER MAGAZINE

*Ethanol Producer Magazine* is the No. 1 source for ethanol industry news, trends and statistics. Through our print publication and website, we deliver both daily news and industry trend features to our audience of producers, service providers and vendors. Ethanol Producer Magazine gives producers the well-organized information they need to keep their production and efficiency on pace with the rest of the industry.

Our monthly print magazine offers readers thoroughly researched, staff-written feature articles, contributions from the industry's most well-known names, and opinion pieces from the advocates the ethanol industry looks to for support. They cover finance, policy, regulations, equipment innovations, export markets, operational efficiency, staffing and more. Meanwhile, the website delivers the breaking and spot news our readers want to digest daily. It's all sent out in the newsletter each Tuesday.

Readers also can stay on top of the layout of their industry, using the biannual U.S. & Canada Fuel Ethanol Plant Map. Through incredible effort by our team, we possess the most up-to-date, accurate information on ethanol plant sizes, locations and operational statuses. The map hangs on control room walls all across the country.

Our reach hits all corners of the world, and the global industry converges each year for Ethanol Producer Magazine's International Fuel Ethanol Workshop & Expo. Boasting nearly 2,500 attendees and 370 trade show vendors, it's the industry's largest event. Regular job satisfaction surveys, informational webinars and an industry directory round out the ethanol industry coverage provided by *Ethanol Producer Magazine*. We don't miss a thing.
