REGULATIONS

Agency Discounts: Due to the affordable rates offered by Carbon Capture Magazine, we do not offer agency discounts.

Invoices: Rendered at time of issue mailing.

Short Rates/Rebates: Advertisers will be short-rated if, within 12 months from the date of the first insertion, they do not use the amount of space upon which their billings have been based. Rates may be adjusted (lowered) during the course of an advertiser's insertion order agreement, if the advertiser has used sufficient additional space to warrant a lower rate than that at which their billing began.

Rate Protection: Rates are effective for all advertisers throughout the duration of this media kit. Rates will never increase during the term of an advertiser's billing agreement, unless the advertiser chooses to change the plan by, for example, increasing the size of an ad.

Publisher's Protective Clauses: Deliberate attempts to simulate editorial format in an advertisement is not permitted by Carbon Capture Magazine. The publisher reserves the right to insert the word "advertisement" when, in the publisher's opinion, an advertisement resembles editorial material. The publisher reserves the right to reject any advertising that does not conform to publication standards. Carbon Capture Magazine is not liable for delays in delivery and/or non-delivery in the event of an Act of God, action by any governmental or quasi-governmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes whether legal or illegal, labor or material shortage, transportation interruption of any kind, work slowdown, or any condition beyond the control of the publisher affecting production or delivery in any manner. Carbon Capture Magazine is not responsible for quality of reproduction when materials received do not conform to specifications or when materials are received beyond closing date.

Cancellations: No cancellations will be accepted after closing dates. Notification of cancellations prior to closing date should be in writing (email or fax acceptable).
